

Application Guidelines for PhD Studies

The department of marine biology

A. A candidate requesting to submit his candidacy for a doctoral degree in the department of marine biology is required to register to the University through the website of the registration department at the student's administration (<http://harshama.haifa.ac.il>).

B. A folder must be presented to the administrator of the department including the following documents:

1. Photocopies of transcripts and diplomas from BA and MA degrees.
2. CV
3. Consent of a supervisor that meets the criteria.
4. Statement of purposes signed by the designated supervisor.
5. Letter from the designated supervisor regarding research topic, its importance and novelty.
6. Photocopy of a summary of the final research paper (thesis).
7. 2-3 letters of recommendation from faculty members, including a recommendation from the designated supervisor. One recommendation should be from the supervisor of the final research paper (thesis).
8. Summary of the research topic in English.

****A digital copy of all documents (one file) must be sent to:**
