

The University of Haifa | Department of Marine Geosciences

Seminar Program – Semester A (2023-24)

When? Mondays, 13:00 (GMT+2), **HYBRID!**

Where? Room #402 - Education and Sciences Building (in front of Eshkol Tower)

Zoom link: <https://us02web.zoom.us/join/91282707071>

Further details: Zoom room open at 13:00, talks starts 13:10.

Seminar organizer: Prof. Nicolas Waldmann | nwaldmann@univ.haifa.ac.il

| | |
|--------------|--|
| Dec 11, 2023 | Prof. Revital Bookman, University of Haifa, ISRAEL The development of the Nile Littoral Cell during the Holocene |
| Dec 18, 2023 | Dr. Ma'ayan Yehudai, Max Planck Institute, GERMANY Atlantic Ocean Nitrogen Cycle Dynamics Over the Pliocene-Pleistocene Transition |
| Jan 1, 2024 | tba* <i>tba</i> |
| Jan 8, 2024 | Dr. Guy Lang, University of Haifa, ISRAEL Formation and Evolution of the Eastern North American Continental Margin: Constraints from Seismic Stratigraphy |
| Jan 15, 2024 | Dr. Nina Maria Papadomanolaki, University of Munster, GERMANY Ocean deoxygenation through the Mesozoic and Cenozoic |
| Jan 22, 2024 | Dr. Lotem Robins, Oranim College, ISRAEL Shifting the Sands – Early Islamic Modification of the Caesarea Sandy Lowlands into Plot-and-Berm Water-Harvesting Agroecosystem |
| Jan 29, 2024 | Prof. David De Vleeschouwer, University of Munster, GERMANY Pre-Cenozoic climate response to astronomical forcing |
| Feb 5, 2024 | Dr. Juliana de Sousa Nogueira, Rio de Janeiro State University, BRAZIL & Czech University of Life Sciences, CZECH REPUBLIC Sahara fertilizes Amazon: not that much! Exploring mineral dust sources for the Amazon Basin since the mid-Holocene |
| Feb 12, 2024 | Prof. Lisa McNeill, University of Southampton, UK Analysing rapid, high resolution active rift processes in the Corinth Rift, Greece |
| Feb 19, 2024 | Dr. Semion Polinov, University of Haifa, ISRAEL Historical changes in human activities in the Mediterranean Sea and their drivers |
| Feb 26, 2024 | Dr. Thomas Browning, GEOMAR, GERMANY Climate regulation of ocean nutrient limitation |
| Mar 4, 2024 | Dr. Gilad Antler, Ben Gurion University of the Negev, ISRAEL* <i>tba</i> |
| Mar 11, 2024 | Dr. Theresa Nohl, University of Vienna, AUSTRIA Lost in transition? Quantifying Aragonite Dissolution |

*: talks organized as part of the Charney School of Marine Sciences School Seminar Series. A separate zoom link will be sent accordingly.
